

# Agenda General Assembly 30 October

## - **Vote on the agenda**

After the opening of the GA (8PM) some practical regulations will be shared. Then this agenda will be displayed once again and our members will vote on this.

## - **Extra Muros this year**

In his talk, Loïc will address the vision of the Extra Muros Board for the association this year. He will take those present with him in the goals, possibilities and scenarios that the board foresees in these turbulent circumstances. You can already read more about this subject in the document '*Vision Board of EM 2020-2021*'.

## - **What we did so far**

Our PR Ebbe Tim will update our members on what we have achieved and done so far in the period from July 1 to now.

## - **Budget proposal**

Anna will – as Treasurer – make the budget proposal on behalf of the Board. This budget is the budgeted annual account, consisting of a cost-benefit account and a balance sheet. This can already be viewed in the document '*Budget Extra Muros 2020-2021*'. With the establishment of the new Educational Committee comes the document '*Budget Educational Committee Extra Muros*', which gives some extra explanation behind the budgeting of this committee and an insight in the plans in their first year. Information on all committees can be read in the document '*Committees Extra Muros 2020-2021*'.

## - **Vote on the budget**

After the budget proposal, we'll have a quick break. Members will vote on the annual budget proposal thereafter.

## - **Open floor**

At the end of the GA, there is room for questions or comments that are not directly related to the above topics.

Do you have any questions about the GA's agenda or would you like to propose an addition?
