

## Agenda General Assembly 1 December 2021

- **Opening of the General Assembly by our President**

Laura will give a small talk to welcome our members and officially open the General Assembly. She will also ask permission to record the General Assembly, to make it easier to make minutes.

- **Propose the agenda**

The agenda will be presented on the slides after which there will be a vote on it.

- **Vote on the agenda**

- **Present and vote on minutes from last General Assembly**

Every General Assembly there are minutes taken, which need to be approved in the next General Assembly; the last one was on 30 September 2021.

- **What have we done so far**

Sebastian, our Public Relations officer will briefly explain what we have done since the last General Assembly.

- **Events in the near future**

Laura will briefly name the events that are planned for the weeks coming.

- **Future collaboration with EUC**

Sebastian will talk about an event we will be holding together with EUC.

- **Open floor**

At the end of the General Assembly there will be an open floor, where you can raise any questions or comments which are not directly related to the points mentioned above.
