

To our dearest members,

With this email we are inviting you to our final GA of this academic year. This will also be the last GA where the four of us will be the board of Extra Muros. We have the honour of looking back on an extremely fruitful year. We have welcomed many new first years into this EM family (or alternatively, cult) who decided to join us on our mission of making University a social as well as academically rewarding experience. We've been able to organise many events this year, proven formats and new concepts alike. The year also contained hurdles and some hoops for jumping through, better known as covid regulations. They unfortunately forced us to cancel or adapt multiple of our events, however they certainly could not stop the association from running.

All of this is due to the hard work of our committee heads and active members. Their resilience and motivation have proved inexhaustible. Academic has graced us with their discussion evenings, Creative shined with their pumpkin carving skills, Educational provided the essential-for-passing-TAS crash course, I&C introduced us to Utrecht and boats, Outreach lit up our holiday season, Social Activities introduced us to beer, Party threw the outstanding Gala, Study trip took us to a place which was more Italian than Bea and of course Yearbook designed the must-have souvenir of the year. These examples being only the highlights of the past year, we can calmly conclude that Extra Muros has had a good one. We would like to thoroughly thank our committee heads for all their enthusiasm and hard work.

We as the board were also very happy to be at your service. Though there was the incidental board meeting where the four of us were less lively than a can of beans, we did it with love. However, the time has come for us to make room. We are very happy to introduce you to our chosen candidate board for next year. We believe that David, Jamie, Anandi and Sophie will be a great fit for EM. At this coming GA we ask you guys to voice your opinion and this candidate board will be put to a vote. They are more than happy to introduce themselves to you and explain their motivation for applying and most importantly tell you about their plans for Extra Muros. Members will get the opportunity to thoroughly ask questions, in order to be able to make an informed decision. We hope to welcome you in the Common Room next week, to officially end this academic year and to look forward to the next together.

Yours for this moment,

President Laura Bankers  
Secretary Jazlyn van den Broek  
Treasurer Beatrice Caddeo  
PR Sebastian Rostron
